The SCRIPT Program was developed and evaluated by Dr. Richard Windsor, an established NIH Principal Investigator and professor emeritus at the George Washington University School of Public Health and Health Services. This Program is distributed by SOPHE, the Society for Public Health Education, a nonprofit professional organization founded in 1950 to provide global leadership to the profession of health education and health promotion and to promote the health of all people.

To request information on the SCRIPT Training Curriculum, contact dgordonmesser@sophe.org or call 202-408-9804.
